SPEAKING TOPICS

Make Adversity Work For You

You are stronger than you know. Just like a bodybuilder cannot build muscle without resistance, you cannot increase your faith without enduring adversity. Successful people handle adversity differently than most. They make it work for them. In this presentation, Karen “KG” Gardner will help you and your audience:

- Appreciate the gift of adversity and how it can strengthen your faith muscle making you unstoppable.
- Reframe adversity by changing how you think about it and shift from negative to positive energy attracting what you desire.
- Learn how to outlast adversity with an “attitude of gratitude.”

You already have everything inside of you to leverage adversity and make it work in your favor, so you are stronger and better.

Thinking Like A Winner

How do you change the way you have been thinking when it is no longer working for you? Scientific studies prove successful people think, speak and act differently than the average person. In this presentation, Karen “KG” Gardner will help you and your audience:

- Identify and replace “stinking thinking” with “superpower thinking.”

No Fear Here!

Are you tired of fear imprisoning you and holding you back from achieving your dreams and goals? Then it is time to shift from fear to love to faith and dominate in life. In this presentation, Karen “KG” Gardner will help you and your audience:

- Identify the root of fear and evict it.
- Learn a foolproof process to replace fearful thoughts with victory.
- Live in perfect peace in spite of your challenging circumstances.

Karen will show you how to keep fear out of your mind, so you have lasting peace and stability, especially in turbulent times.

Selling with Soul Power: How To Attract New Clients With Ease & Joy

Does the thought of selling turn you off? Have you had a bad experience with a pushy salesperson? Alternatively do you think that to be good at selling, you have to be an extrovert or possess unusual charm? In this presentation, Karen “KG” Gardner will shatter common myths about selling and help you and your audience:
